Business Profile 2025

Value Proposition

The true value proposition of the Helderberg Personnel brand is our commitment to attending to both our clients' and candidate's needs, culture and values and to ensure that, through comprehensive interviews with candidates and coaching them in the skill of prospective interviews, the overall match is determined to ensure a long-term relationship. The identity of the client remains confidential at all times. We understand that our function is to ensure that the candidate must become a strategic partner to a business instead of a mere employee. Helderberg Personnel has achieved a steady growth over the last years and we have evolved into one of the leading agencies in the region. We have made placements cross functional, cross industry and up to senior management level.

Our Accolades

- Annual Business Awards (Service Excellence) from the Helderberg Chapter of the Cape Chamber of Commerce and Industry
- PMR. Africa Gold Award for an institution doing the most in our sector to stimulate the economic growth and development of the Cape Peninsula in the past 12 months.
- A data base of well-established corporate clients as well as SMEE's
- A solid data base of candidates who are either entering the market or semi-skilled or highly qualified which adds value to assisting unemployed candidates to find employment and alternatively assist candidates to improve their current working situation
